SPACE COAST Warbird Airshow 2019

## Room Reimbursement Policy

If you signed a written contract as a performer, the VAC will reserve your hotel rooms and, per your contract, will make a direct payment to the hotel for those rooms the VAC contracted for in advance. **IF YOU DO NOT HAVE A CONTRACT WITH THE VAC**, you must make your own individual room reservations and pay the hotel directly for your rooms.

A listing of the LOCAL HOTELS that the VAC has arranged a DISCOUNT with is provided. When checking rates and making reservations tell the reservation clerk that you are a Warbird AirShow Participant and request their best discount rate. Call NOW! Each hotel has only a limited number of discount rooms available. Recommend you also use several of the internet hotel search engines to find the best rate.

Again, **IF NOT ON A WRITTEN CONTRACT**, you must pay for your own room. Other than performers with a written contract; the VAC WILL NOT PAY THE HOTEL FOR ANY ROOM.

VAC ACTIVE MEMBER PILOTS who participate in the air show will receive a Fixed Rate Reimbursement of \$80.00 for each night you stay in a local hotel during the AirShow. Depending on where you stay, this Fixed Rate may not provide a full reimbursement. You will be issued a Reimbursement Form at registration.

Bring your Reimbursement Form along with your Hotel Receipt to the Pilots Tent and you will be paid before departure. This will be the only reimbursement procedure. Those performers who are under written contract will be compensated accordingly.

It will be each pilot's responsibility to be at the Pilots Tent on Sunday in order to receive a check from VAC Commander.
